TESTIMONIALS

“

My experience with IT By IT Professionals gave me the necessary experience and knowledge to help me with career goals. It has given me real time experience of web designing with hands- on work on live projects.

~ Charu Shingi (Web Designer)

“

This is the first time I have attended an internship in this format and wondered how effective it would be. It was very effective and therefore I would definitely be interested in attending other internships in the same format.

~ Rishab Jain (Android Trainee)

“

At IT By IT Professionals, I had the opportunity to learn web development, Designing, etc. It is really nice to gain practical knowledge under professional trainers. I think my 12 weeks training course is life changing and now i have confidence that I can work on a website all by myself.

~ Kiran Bunkar (Web Developer)

“

IIT BY IT Professionals provided an outstanding internship experience. The team was welcoming, supportive, and highly skilled, offering valuable mentorship throughout. I worked on meaningful projects that enhanced my skills and knowledge in real-world applications.

Shubham Gupta (Web Development)

“

I have been working at IT By IT Professionals full-time for more than 3 Months. Great Place to learn and earn awesome teammates and bosses growth assured.

Ritik Maheshwari (PHP Trainee)

“

They do have a lot of soft skills for employees to learn. This company is the entry point for freshers. I have learned a lot of things here

~ Shreya Raghuvanshi (PHP Trainee)

“

My internship at IT BY IT Professionals was an incredibly rewarding experience. During my time as an SEO intern, I had the chance to work on various SEO Concepts and its tools, that allowed me to apply and expand my knowledge of digital marketing.

~ Diptanshu Khandelwal (SEO Intern)

“

I am now confidently say that I have developed a substantial understanding of business analytics by working under the guidance of industry experts at IT By IT Professionals. Life changing experience!
